PE Waivers will be granted for only ONE semester at a time – the current semester. The waiver must be requested during the semester that the student wishes to have PE waived. Request forms should be completed and returned to your COUNSELOR **at least one month before the end of the semester in which the waiver is requested**. Waiver requests received after the end of the applicable semester may be denied. Student waivers from participation in PE classes must be directly related to the criterion listed. To qualify, **a student must be enrolled in 6 classes during the semester in which the waiver is requested**.

The following five categories qualify as allowable reasons for the principal to consider waiving PE. (A note of explanation is required for categories 1-4.)

1. Physical disability – Request must be signed by attending physician with a note of explanation.
2. Religious beliefs – Religion stipulates against participation in physical education. A note of explanation is required.
3. Academic requirement (including music program) – Teacher’s approval and note of explanation required.
4. Directed athletics – Participation in Seattle School District extra-curricular athletic programs requires coach’s verification. **Participation in community athletics requires weekly log documenting hours and parent and coach’s verification.** A student can only be excused from physical education during the actual season of his/her participation.
